The TDS Advantage

TDS, Inc. can help you match the right carriers with the right service at the right cost, enabling your company to reach customers efficiently around the country or around the world.

When your shipments are too important to sit over the weekend, use TDS 24-7 Services.

We keep your freight moving over the weekend to help meet your tightest deadlines throughout the United States and Mexico.

We work weekends so you can enjoy yours.

ARE YOU COVERED?
